Dear Paul,

It is with great pleasure that the InterNational Committee for Information Technology Standards (INCITS) has selected to honor you with the INCITS Exceptional International Leadership Award for 2010.

This is an honorary award presented to not normally more than two participants for their exceptional leadership of an international committee.

INCITS would like to recognize your numerous contributions to the INCITS/T3 technical committee for Open Distributed Processing (ODP) and your work with the international counterpart, ISO/IEC JTC 1/SC6.

We applaud your many contributions, such as INCITS/T3 Vice Chairman, Head of Delegation to international meetings, project editor of the ASN.1 standards, liaison to many other TCs and groups and overall facilitating the development of the standards, you have demonstrated that your leadership and dedicated efforts are what lead to the exceptional quality and timeliness of standards.

Your dedication, leadership skills and guidance on important issues reflect your tremendous skills and commitment to standardization efforts.

All of us at INCITS look forward to seeing you at the awards event on Monday, April 19, 2010 in Austin, TX and appreciate your continued support to the important work of standards development.

Please let me know if you have any questions.

Sincerely,

Lynn Barra
Director, ITI Standards Operations
